Thank you for your reply.

The issue is accuracy, if you are going to lay claim to being an investigative organization. I understand that you don't see the difference, and I feel it would be a waste of time to try to explain it.

So, for the sake of accuracy:

Calvary Baptist Church is not Olen King's sending church.

It does not say on our website that we are his sending church, a statement you emphasized with the word "YOUR" using all caps.

Our site clearly lists their sending church.

Thank you for your time.

Dear Jeff,

Thank you for contacting HEAL! Do we have your permission to post your message to our site at: www.heal-online.org/king.htm? The information regarding Calvary Baptist Church being the "sending church" for King Family

Ministries is found on YOUR website here: <https://www.cbckn.org/home/missions/olen-king>. It show that King Family Ministires/Second Chance Ranch is a mission supported by your church.

If you would like us to amend our site to clarify that Freedom Baptist Church in Rural Hall, NC is the "sending church" of record and that the program is one of many missions supported by Calvary Baptist Church in Knob Noster, MO, we'd be happy to do so. We don't really see the big difference in supporting the mission of King's program(s) and being the "sending church" of record. Maybe you can help us understand by clarifying your relationship to the King Family Ministries?

Let us know how you would like us to update the site. If there is a specific phrase you would like changed, follow these steps:

1. Identify URL/Link where you believe you have found inaccurate information: www.heal-online.org/king.htm
2. Specify the exact quote you take issue with from that URL/Link: i.e. "Merrick in the pastor for Calvary Baptist Church in Knob Noster, MO. Calvary is the "sending church" with which the current King Family Ministries/Second Chance Ranch in Danbury, NC is affiliated."
3. Suggest change to the quote/update: [Write your suggested correction here]

And, send that to us and we will update the site, if needed.

Sincerely,

The HEAL Team

This is to inform you that contrary to your "investigation" into the King Family Ministries/Second Chance Ranch in Danbury, NC, Calvary Baptist Church in

Knob Noster, MO is not, nor has it ever been the “sending church” for this ministry. Jeff Merrick, is not, nor has he ever been Olen King’s pastor. King is not, nor has he ever been, a member of this church.

I would recommend that before you post information of this nature on a website, which is in turn picked up by other websites, that you do a little more due diligence.
