

CONVERSION PROGRAM PROGRESS REPORT: Clear View (Horizons) in Idaho  
By Rev. Minister Angela Smith of COPE (<https://www.cope.church> ) Dated: 3/3/21

The HEAL Mission of COPE has received 25 separate complaints from individuals and families alleging fraud, moral violations, ethical violations, legal violations, abuse of students, exploitation of families, censoring/monitoring communications, communication blackouts, holding youth incommunicado, staff substance abuse (alcohol) on the job and assaulted a student for which he was disciplined in-house with a demotion, theft, humiliation tactics (One mother reported via e-mail: “My daughter stated that members of the facility put a dog leash on her and that she and the other girls had to “deep scrub” the facility once a week, in addition to other chores throughout the week. The girls had to clean out and wash the employees cars and were taken to the director’s (Mary Thielbahr’s) million dollar home in Idaho to hang out with her and her poodles, while she convinced them to stay there longer so she can continue on with her lavish lifestyle. My minor child was taken across state lines without my permission which is kidnapping. Additionally, my child was kept from any contact with family and when she finally was “allowed” to speak with family, there were several individuals in the room listening to our conversation. It was difficult to reach my child on the weekends as the individuals working there stated that they were “just house moms” and hung up on family members. Mary Thielbahr gets angry with you when you state that you no longer want your child at her facility and threatens you with statements such as “you will be picking out a coffin for your child.” Additionally, the staff talked about parties and doing shots while my daughter was there to recover.”), caused PTSD (including night terrors), coercive thought reform, kidnapping, and negligence at Clear View Horizons (Clear View). Some of these complaints are referenced online and others remain confidential and on file with the church. With the intention of providing an opportunity for closure, clarification, and potentially peace, on 2/23/21 Rev. Angela Smith invited Clear View victims (families and survivors) as well as staff whistleblowers to provide a guest sermon. That invitation read thus:

"Dear Clear View (Horizons) Survivors and Families,

Clear View AKA Clear View Horizons (Clear View) is on the HEAL Mission watch-list (of fraudulent and abusive programs) and enrolled in the COPE Conversion Program based on your reports to the HEAL Mission alleging fraud, abuse, and/or other violations. You can learn more or refresh your memory at <https://www.heal-online.org/thelist.htm> and/or <https://www.heal-online.org/clearview.htm> .

The HEAL Mission and COPE Conversion Program (for Conversion Programs) has updated our protocols to provide entities populating the watch-list and/or enrolled in the COPE Conversion Program three ways off the watch-list or out of the program. Death and/or closure remains one way after which they will be buried at <http://www.beyondbusiness.net/youarenext.htm> with the others who didn't make it off the list or reform in time. Programs enrolled in the COPE Conversion Program/placed on the watch-list are also eligible for graduation if they meet the minimum Honesty In

Marketing Standards described and/or provided via hypertext link at <https://www.cope.church/standards.htm> . The third option is merciful release. Merciful releases are determined by date of last directly reported to the HEAL Mission complaint (date of incident(s) of abuse), whether those incidents occurred prior to when by custom or law the requirement to retain such records has expired, and whether Sponsors (you) are actively participating or maintaining interest in holding your program accountable.

The most recent complaint the mission has received occurred in December, 2016 (if you were abused later than that then you did not include the dates of your enrollment when you contacted the HEAL Mission) on Clear View. The custom is to retain such records for 5 years in Idaho . So, the requirements for merciful release have not been met. This is an invitation for you to provide a guest sermon no later than Wednesday, March 3rd, 2021 at 8pm Pacific if you wish to provide a more personalized guest sermon rather than have a progress report posted at that time. Current progress reports on other programs are available at <https://www.heal-online.org> so you get an idea of what will be posted if you do not provide a guest sermon. For sermons (including guest sermons), see <https://www.cope.church/sermons.htm> . Here's how to participate:

1. In the body of an e-mail message write out your complete sermon and include answers to the following questions:

Did you report fraud or other unlawful actions to the proper authorities? If not, why? If so, what happened with the reports? (So, 2 part question)

Why do you believe Clear View should remain enrolled in the COPE Conversion Program?

2. Send that guest sermon to me at [rev@cope.church](mailto:rev@cope.church) with your first and last name (full) and notify me if you wish for your contact information to be included or for all feedback to be handled by the mission and/or church. Your full first and last name will be shared along with your sermon as written and provided by you. It will be posted as a Guest Sermon at <https://www.heal-online.org> , <https://www.heal-online.org/clearview.htm> , and <https://www.cope.church/sermons.htm> .

If no one provides a guest sermon and there are no new complaints received by the HEAL Mission by December 31st, 2021, Clear View will receive a merciful release.

Thank you in advance for participating. And, please learn more about how to value your contributions at <https://www.cope.church/givetoday.pdf>.

In Solidarity,

Rev. Angela Smith  
HEAL Mission National Coordinator/Founding Mother of COPE"

Now, there was a vote on whether Clear View should remain on the watch-list initiated on March 28th, 2020 where all Sponsors of that program's placement in the COPE Conversion Program were invited to participate. The Sponsors unanimously voted against merciful release or the equivalent at that time. HEAL Mission and the COPE Conversion Program recognize participation in the vote in March as recent enough participation even if Sponsors prefer more time to consider, write, and/or provide any guest sermon. While we understand this may be disappointing for Clear View, it is the hope that this progress report helps explain the reasons for the continued enrollment/placement in the COPE Conversion Program. Additional or continued participation by Sponsors, including providing guest sermons or participating in future votes will impact whether or not the program qualifies for merciful release or remains enrolled. Lack of participation by Sponsors, where all other criteria for merciful release are met, will result in merciful release of the program.

Similar invitations will be going out to all survivor/victim/whistleblower e-mail lists and their respective programs placed on the watch-list. It may take some time to get through the entire list especially if enrollments pick up. But, we are working on it and everyone can submit Feedback at <https://www.cope.church/feedback.htm> at any time regardless of position regarding program placement or enrollment.

To close, I remind everyone that there are remedies at law. Labor trafficking, rape, fraud (misleading marketing/false advertising), false imprisonment, kidnapping, battery, assault, and any crime or tort you could name are actionable at law. The HEAL Mission of COPE is prepared to assist all victims by providing reporting resources and information for the sake of justice and we appreciate all Sponsors who selflessly contribute content for the sake of informing the public to help those exercising due diligence avoid becoming a victim.
