

CONVERSION PROGRAM PROGRESS REPORT: Discovery Academy in UT
By Rev. Minister Angela Smith of COPE (<https://www.cope.church>) Dated: 4/6/22

The HEAL Mission of COPE has received 47 separate complaints from individuals and families alleging menacing, humiliation, abuse, traumatic and terrifying events, bizarre cruelty, one survivor reported via e-mail to the HEAL Mission “Living there was an endless loop of terrifying and traumatic events. Once specifically Mr. Crist asked me to “take responsibility for my mother’s death” and put me on “time out”. I was crying and Mr. Outlander came down with the higher staff and I told him “my mom just died a month ago” and he looked at me and told me to get back in the group (ever since then he never was anything but a relief in presence). Everyone else however was constantly on my case, one time in particular I found out from Gail Kyle that they were paying for the school out of my mother’s inheritance to me,” unqualified/unlicensed staff, rape, corruption, coercive thought reform, brutality, medical neglect/negligence, one mother reported via e-mail to the HEAL Mission “I found out even later that they had punished her by locking her in a tiny room, big enough for only a twin size mattress on the floor and forced her to remain standing for long periods of time. During that time she ended up contracting scabies, and suffered untreated from that condition for a number of months. During the remaining time, my daughter told me that any letters I wrote to her or that she wrote to me were given first to my ex-husband to review. My communications with my daughter were being "monitored" by the school and my ex-husband," held incommunicado (communications restricted, monitored, and censored), kickbacks for referrals, one survivor wrote in an e-mail to the HEAL Mission (we believe “recruiter” means educational consultant or other referrer) “It is my understanding the recruiters received financial kickbacks for any student enrolled,” civil rights violations including false imprisonment, sexual abuse, physical abuse, emotional abuse, fraud, misleading marketing/false advertising, and use of isolation/solitary confinement at Discovery Academy. Some of these complaints are referenced online and others remain confidential and on file with the church. With the intention of providing an opportunity for closure, clarification, and potentially peace, on 3/29/22 Rev. Angela Smith invited Discovery Academy victims (families and survivors) as well as staff whistleblowers to provide a guest sermon. That invitation read thus:

"Dear Discovery Academy Survivors and Families,

Discovery Academy is on the HEAL Mission watch-list (of fraudulent and abusive programs) and enrolled in the COPE Conversion Program based on your reports to the HEAL Mission alleging fraud, abuse, and/or other violations. You can learn more or refresh your memory at <https://www.heal-online.org/thelist.htm> and/or <https://www.heal-online.org/disco.htm> .

The HEAL Mission and COPE Conversion Program (for Conversion Programs) has updated our protocols to provide entities populating the watch-list and/or enrolled in the COPE Conversion Program three ways off the watch-list or out of the program. Death and/or closure remains one way after which they will be buried at <http://www.beyondbusiness.net/youarenext.htm> with the others who didn't make it off the

list or reform in time. Programs enrolled in the COPE Conversion Program/placed on the watch-list are also eligible for graduation if they meet the minimum Honesty In Marketing Standards described and/or provided via hypertext link at <https://www.cope.church/standards.htm> . The third option is merciful release. Merciful releases are determined by date of last directly reported to the HEAL Mission complaint (date of incident(s) of abuse), whether those incidents occurred prior to when by custom or law the requirement to retain such records has expired, and whether Sponsors (you) are actively participating or maintaining interest in holding your program accountable.

The most recent complaint the mission received on Discovery Academy occurred in 2018 (if you were abused later than that then you did not include the dates of your enrollment when you contacted the HEAL Mission). The custom is to retain such records for 7 years in Utah. So, the requirements for merciful release have not been met. This is an invitation for you to provide a guest sermon no later than Wednesday, April 6th, 2022 at 8pm Pacific otherwise a progress report will be posted in lieu of your sermon. The progress report will remain up until December 31st, 2025 after which, if there are no new complaints and no guest sermon by the 2025 deadline, Discovery Academy will receive a merciful release and be removed from the watch-list. For guest sermons and progress reports see <https://www.heal-online.org> . Here's how to participate:

1. In the body of an e-mail message write out your complete sermon and include answers to the following questions:

Did you report fraud or other unlawful actions to the proper authorities? If not, why? If so, what happened with the reports? (So, 2 part question)

Why do you believe Discovery Academy should remain enrolled in the COPE Conversion Program?

2. Send that guest sermon to me at rev@cope.church with your first and last name (full) and notify me if you wish for your contact information to be included or for all feedback to be handled by the mission and/or church. Your full first and last name will be shared along with your sermon as written and provided by you. It will be posted as a Guest Sermon at <https://www.heal-online.org> , <https://www.heal-online.org/disco.htm> , and <https://www.cope.church/sermons.htm> .

If no one provides a guest sermon and there are no new complaints received by the HEAL Mission of COPE by December 31st, 2025, Discovery Academy will be mercifully released.

Thank you in advance for participating. And, please learn more about how to value your contributions at <https://www.cope.church/givetoday.pdf>.

In Solidarity,

Rev. Angela Smith
HEAL Mission National Coordinator/Founding Mother of COPE"

Now, there was a vote on whether Discovery Academy should remain on the watch-list initiated on April 9th, 2020 where all Sponsors of that program's placement in the COPE Conversion Program were invited to participate. The participants voted unanimously against merciful release or the equivalent at that time. HEAL Mission and the COPE Conversion Program recognize participation in the vote in April as recent enough participation even if Sponsors prefer more time to consider, write, and/or provide any guest sermon. While we understand this may be disappointing for Discovery Academy, it is the hope that this progress report helps explain the reasons for the continued enrollment/placement in the COPE Conversion Program. Additional or continued participation by Sponsors, including providing guest sermons or participating in future votes will impact whether or not the program qualifies for merciful release or remains enrolled. Lack of participation by Sponsors where all other criteria for merciful release are met, will result in merciful release of the program.

Similar invitations will be going out to all survivor/victim/whistleblower e-mail lists and their respective programs placed on the watch-list. It may take some time to get through the entire list especially if enrollments pick up. But, we are working on it and everyone can submit Feedback at <https://www.cope.church/feedback.htm> at any time regardless of position regarding program placement or enrollment.

To close, I remind everyone that there are remedies at law. Labor trafficking, rape, fraud (misleading marketing/false advertising), false imprisonment, kidnapping, battery, assault, and any crime or tort you could name are actionable at law. The HEAL Mission of COPE is prepared to assist all victims by providing reporting resources and information for the sake of justice and we appreciate all Sponsors who selflessly contribute content for the sake of informing the public to help those exercising due diligence avoid becoming a victim.
