

CONVERSION PROGRAM PROGRESS REPORT: Eating Recovery Center in CO  
By Rev. Minister Angela Smith of COPE (<https://www.cope.church> ) Dated: 11/18/20

The HEAL Mission of COPE has 1 complaint from individuals and families alleging emotional abuse, physical abuse, psychological abuse, neglect, solitary confinement (isolation), humiliation tactics (not permitting use of restroom resulting in soiling self then punished for that), nasal gastric feeding tubes for those on hunger strikes, verbal abuse, coercive thought reform, aversive behavior modification, excessive medication, exploitation of clients/consumers, false advertising, and censor/monitor communications/hold people incommunicado, at Eating Recovery Center. Some of these complaints are referenced online (including above) and others remain confidential and on file with the church (and mission). With the intention of providing an opportunity for catharsis, clarification, and potentially peace, Rev. Angela Smith invited the victims (families and survivors) as well as staff whistleblowers to provide a guest sermon for publication to the site. The invitation was sent via e-mail on November 10th, 2020. That invitation read thus:

"Dear Eating Recovery Center Survivors and Families,

Eating Recovery Center is on the HEAL Mission watch-list (of fraudulent and abusive programs) and enrolled in the COPE Conversion Program based on your reports to the HEAL Mission alleging fraud, abuse, and/or other violations. You can learn more or refresh your memory at <https://www.heal-online.org/thelist.htm> and/or <https://www.heal-online.org/erc.htm> .

The HEAL Mission and COPE Conversion Program (for Conversion Programs) has updated our protocols to provide entities populating the watch-list and/or enrolled in the COPE Conversion Program three ways off the watch-list or out of the program. Death and/or closure remains one way after which they will be buried at <http://www.beyondbusiness.net/youarenext.htm> with the others who didn't make it off the list or reform in time. Programs enrolled in the COPE Conversion Program/placed on the watch-list are also eligible for graduation if they meet the minimum Honesty In Marketing Standards described and/or provided via hypertext link at <https://www.cope.church/standards.htm> . The third option is merciful release. Merciful releases are determined by date of last directly reported to the HEAL Mission complaint (date of incident(s) of abuse), whether those incidents occurred prior to when by custom or law the requirement to retain such records has expired, and whether Sponsors (you) are actively participating or maintaining interest in holding your program accountable.

The most recent complaint the mission has received occurred in 2016 on Eating Recovery Center. The custom is to retain such records for 10 years in Colorado. So, the requirements for merciful release have not been met. This is an invitation for you to provide a guest sermon no later than Wednesday, November 18th, 2020 at 8pm Pacific if you wish a more personalized report be posted rather than the alternative Progress Report (an example of which is available at <https://www.cope.church/sbaprogress.pdf> ) at that

time. For sermons (including guest sermons), see <https://www.cope.church/sermons.htm> . Here's how to participate:

1. In the body of an e-mail message write out your complete sermon and include answers to the following questions:

Did you report fraud or other unlawful actions to the proper authorities? If not, why? If so, what happened with the reports? (So, 2 part question)

Why do you believe Eating Recovery Center should remain enrolled in the COPE Conversion Program?

2. Send that guest sermon to me at [rev@cope.church](mailto:rev@cope.church) with your first and last name (full) and notify me if you wish for your contact information to be included or for all feedback to be handled by the mission and/or church. Your full first and last name will be shared along with your sermon as written and provided by you. It will be posted as a Guest Sermon at <https://www.heal-online.org> , <https://www.heal-online.org/erc.htm> , and <https://www.cope.church/sermons.htm> .

If no one provides a guest sermon and the mission receives no new complaints by March 1st, 2026, Eating Recovery Center will receive a merciful release.

Thank you in advance for participating. And, please learn more about how to value your contributions at <https://www.cope.church/givetoday.pdf>.

In Solidarity,

Rev. Angela Smith  
HEAL Mission National Coordinator/Founding Mother of COPE "

Now, there was a vote on whether Eating Recovery Center should remain on the watch-list initiated on March 25th, 2020 where all Sponsors of that program's placement in the COPE Conversion Program were invited to participate. No one voted for merciful release or the equivalent at that time. HEAL Mission and the COPE Conversion Program recognize participation in the vote in March as recent enough participation even if Sponsors prefer more time to consider, write, and/or provide any guest sermon. While we understand this may be disappointing for Eating Recovery Center, it is the hope that this progress report helps explain the reasons for the continued enrollment/placement in the COPE Conversion Program. Additional or continued participation by Sponsors, including providing guest sermons or participating in future votes will impact whether or not the program qualifies for merciful release or remains enrolled. Lack of participation by Sponsors where all other criteria for merciful release are met, will result in merciful release of the program.

Similar invitations will be going out to all survivor/victim/whistleblower e-mail lists with their respective programs placed on the watch-list. It may take some time to get through

the entire list especially if enrollments pick up. But, we are working on it and everyone can submit Feedback at <https://www.cope.church/feedback.htm> at any time regardless of position regarding program placement or enrollment.

To close, I remind everyone that there are remedies at law. Labor trafficking, rape, fraud (misleading marketing/false advertising), false imprisonment, kidnapping, battery, assault, and any crime or tort you could name are actionable at law. The HEAL Mission of COPE is prepared to assist all victims by providing reporting resources and information for the sake of justice and we appreciate all Sponsors who selflessly contribute content for the sake of informing the public to help those exercising due diligence avoid becoming a victim. For reporting resources, see <http://www.heal-online.org/report.htm> for directory of law enforcement and regulatory bodies throughout the USA.
