#TaoFuPoliceLtThompson replying to #Krueger: "As Nancy's father & former Elm St. resident as well as law enforcer, I need to add you killed the mother of my children too & later me. So, when Jason & Nancy stop you, you understand their motive & improvisation when warranted."

#TaoFuFreddyKrueger replies: "Don, I'm the victim. I worked hard as a janitor getting no respect from all those spoiled brats from Elm St. created by their narcissistic parents. My actions were justified. The unlawful lynching of me was not."

#TaoFuPoliceLtThompson replies: "Right, & that's why everyone feels guilty about it & doesn't talk about it. But, you won't let it go nor take responsibility for your own part in the conflicts or the fact you are an adult & the kids didn't kill you, the parents did. #NoExcuse"

#TaoFuFreddyKrueger replies: "Okay, but if I killed just the parents the kids end up in Foster Care, so, what's worse? If you ask @Peta euthanasia or dying in your sleep is often preferable to being trafficked or exploited in systems of care. So, pick a lane."

#TaoFuNancy replies: "The lane picked, Freddy, is you shouldn't have broken the law in the 1st place as no crime was committed against you and kids are still learning manners and more hence school. Did you try to appeal for a class on manners to be added to the curriculum?"

#TaoFuFreddyKrueger replies: "Manners should be taught at home & that's not the job of schools. So, knowing that it had to be kids &/or parents & thought killing the kids was more humane & would reveal the narcissism of the parents who use the kids' deaths to get attention."
