#TaoFu Batman says: "HERO DYGN, but you need to be multi-lingual to decipher it."

#TaoFu Harvey Dent says: "Swedish? Hero of the day or 24-hour hero."

#TaoFu Riddler says: "Interesting, but not the solution per se."

#TaoFu Robin says: "What is older than the universe, invisible, communicates through electromagnetic radio signals, remembers or records every form it takes, makes up the majority of the sun as well as both creates and sustains life by making DNA possible and having healing properties?"

#TaoFu Riddler says: "This isn't the game show Jeopardy. But, you might be onto something."

#TaoFu Jesus says: "The 'H' stands for HYDROGEN. HYDROGEN is the answer, the way, the truth and also the light."
