

A Sermon on Interpreting “The Road Warrior” starring Mel Gibson
Sermon by Rev. Minister Angela Smith of COPE for March 12th, 2023 (and beyond)

This sermon is in dialogue format and dedicated to the Central Intelligence Agency (CIA).

DIALOGUE:

Sean: “The Road Warrior” starring Mel Gibson has loads of esoteric subtext. Pappagallo has a British accent and is played by an English actor. He’s the merchant. Mel Gibson is Catholic in real life and was chosen to play the Desolate One as described in dialogue. The Humungus represents Order of Malta, which is evidenced by the black vehicle with the red Order of Malta cross on it. In the film credits, you’ll see a surname that reportedly is the surname of a CIA retiree. Choosing a Catholic to play the arguable Protestant and/or loner was funny from many official perspectives. The decoded message appears to be that Order of Malta is attempting to hijack British Petroleum and the allies need our help.

Cris: Are you for real? Are you auditioning for Scooby Doo?

Sean: Are you serious? I am serious.

Cris: Are you talking to yourself?

Sean: I’m telling you the esoteric subtext of “The Road Warrior”.

Cris: No, you would be if Order of Malta or any other “secret society” was behind it or theorized to be behind the film. But, it is not esoteric subtext as described. As described, it is arguably a continuation of Operation Mockingbird and the CIA was mocking Order of Malta quite intelligently in full context if true. It may have been mocking the Catholic Church entirely.

Sean: Maybe Order of Malta is behind “The Road Warrior” since The Humungus is the dictator and feared by all. Doesn’t The Humungus scare you?

Cris: I see The Humungus as a fictional character whether inspired by real people and events or not. Fictional characters do not scare me. My imagination does sometimes as a result of exposure to other people’s ideas that I find disturbing, but never the fiction itself, just my own consideration of it. Fortunately, when I focus my attention elsewhere and fully accept the fiction without my imagining beyond it, absolutely undisturbed. I’d even say I’m content or comfortable. Do you fear The Humungus?

Sean: I’m not obligated to answer your questions.

Cris: It sounds like you are the one with secrets. Maybe you are Order of Malta and/or one of their offshoots/spin-offs like the Knights of the Golden Circle that is reportedly

better known as the KKK or Klan. Mel Gibson being Catholic confused you because Max is referenced as the Desolate One. You thought he was Order of Malta, but no, just unduly influenced by their hate. And, because he was the star of the film and Catholic, you assumed it was Order of Malta, but way too low budget to be one of theirs. I'm definitely going with CIA. I think you might be right about that. I've seen a couple of spendy low budget films attempting to become cult classics like "The Road Warrior", but that lack the intelligence and wit of it. I'd love to get your take on one of those. It seems like Order of Malta to me, lots of porn and prostitution/human trafficking with a little exorcist action too. That sounds more like them to me.

Sean: See, told you I'm right.

END DIALOGUE

Meditative Questions:

Do you believe "The Road Warrior" was a part of the CIA's Operation Mockingbird or any continuation thereof?

Do you believe it is possible "The Road Warrior" was a part of the CIA's Operation Mockingbird or continuation thereof?

Is God the difference between the first two questions?

How much evidence would you require before believing "The Road Warrior" was a CIA project?

Do you consider any of the following evidence?:

Do you know anyone who would accept that as indisputable proof?

If you were given the name of the CIA retiree that is listed in the credits for the film, would that convince you? Whether so or not, do you think it should convince most, if not all of the truth or the possible truth of it?

END QUESTIONS

FINAL THOUGHT: I personally think it is possible and tend to lean more towards agreeing with Cris than Sean in the dialogue portion. But, if Sean was relying on William Zappa being CIA just because Frank Zappa's father reportedly retired from the CIA and the name is similar, that's just not enough evidence. 1 in 651,023 people globally have the surname Zappa and 70% of them live in Europe. Source: <https://forebears.io/surnames/zappa#:~:text=The%20last%20name%20is%20the,percent%20reside%20in%20Italic%20Europe>. Also, just because someone says they are current or former CIA doesn't mean they are, they could be lying and generally the CIA reportedly won't confirm depending on assignments. But, it is unlikely a spy would volunteer the information for attention or to establish trust with anyone, especially a target. I feel I understand the CIA's humor often enough and agree "The Road Warrior" may have been a mock of the Order of Malta and any plans they have to control the world's oil supply.
