

A Reading on Oak Mot

Sermon by Rev. Minister Angela Smith of COPE for November 7th, 2021 (and beyond)

What do you know besides what you've been told? That question is, in my opinion, one of the primary themes of Oak Mot by Crispin Hellion Glover. The book itself begins in darkness with hope at the end beginning with a photograph of a giver of life. It wouldn't be right to tell you everything, so I won't. I will suggest you purchase your own copy at <http://www.crispinglover.com/books.html>

Let's start with the table of contents

I'm not sure why that's happening. I know you are all familiar by now with COPE's commitment to transparency. I'm going to try this again and hope you get the idea. Don't

*Worry... I think I know what happened. It is time...*

Can I please just write the sermon? Dear God, it is a beautiful work of art and a book I treasure. Please just let me

So, the only book I can talk about now is The Holy Bible? Which version? I reference The Wycliffe Bible, King James Version, New International Version, and more in my sermons and have the whole time. I even discussed "Psycho", "Friday the 13th", and "Halloween". I consider Oak Mot a holy book. Did you know it is about a Presbyterian Church in Ohio? If so, you might be God. If not, who the hell is

Is it #TaoFu Joker? #TaoFu Joker are you fucking with my computer? I've about had it with you. If I have to call in Wes Craven or anyone else from Karmic Crew or welcome on it to deal with you, I will. See, now I bet you are going to say I'm threatening you. If you are responsible for

*World Wars, Genocide, and Hitler... It was Hindu Fascists from India...*

#TaoFu Joker says: "It's me, so what? And, you are threatening me and during Sunday Service. The whole world is going to know about it."

#TaoFu @CrispinGlover says: "I thought this sermon was on a different topic. And, some call me "Mr. World" in character."

#TaoFu @MedicinaW says: "It wasn't Joker. He's lying. It was Patti Bonchek."

No use crying over spilled ink

*UNLESS IT IS INDIAN INK DEPENDING ON CASTE.*

Saboteurs exist and sometimes decide to do 5<sup>th</sup> columnist bullshit to fuck with their neighbors. I feel in ways this sermon is an example of that. And, malignant narcissists do attempt to triangulate and turn allies against each other with misinformation campaigns often exploiting pre-existing differences of opinion to destroy the current social order of civilization and impose evil caste systems on everyone with no chance of upward mobility or any change in position besides life or death.

If Hitler's father had only been supportive of his art career, what would the world look like today? And, that's my reading of "Oak Mot" by Crispin Hellion Glover.
