

## A Sermon on Offensive Approaches

Sermon by Rev. Minister Angela Smith of COPE for September 25th, 2022 (and beyond)

The Order of Malta of the Catholic Church are masters of offensive approaches, whether Machiavellian (duplicitous, malicious deception often for personal gain) or overt and direct in nature. If you follow <https://www.twitter.com/heal247> and/or even read through the entire pinned tweet thread at this time, you'll have a greater understanding of their level of outright malevolence. They are idolaters and assume idol status forcing or coercing others to agree to their delusions of grandeur under threat of enslavement, torture, and death with ample evidence they follow through with that. Spain granted the Order of Malta, Malta, Libya, and Tripoli. Jesus Christ was a famous dissenter and they celebrate crucifying him by calling it "Good Friday" when the torture began so they could continue their big lie bullshit while trying to use very antiquated tactics that rely on ignorance and fear collectively manifesting as superstition at times to achieve that. Some say they get 1000 years to reign, some 40 years, and some sources have said 42 months (3.5 years). The Order of Malta reportedly started in 1120 according to some sources, but as early as 30 A.D. See, the church itself claims it was founded by Jesus Christ 30 years after his death. I can't criticize on that point too much because COPE Ministries was co-founded by Priest John Wycliffe 617 years after his death. But, I feel COPE Ministries is more respectful of Wycliffe than the Order of Malta is of Jesus Christ. The rest is in dialogue format.

### DIALOGUE

Knight of Malta: People are so gullible and stupid. They don't even realize Jesus Christ was Spartacus who died in battle in April of 71 BCE. Source: <https://www.livescience.com/39730-spartacus.html> . But, only 12% of the human race could read and write as of 1820, now 86% can read and write. Source: <https://ourworldindata.org/literacy> .

#TaoFu Joker: Are you talking to me?

Knight of Malta: Don't speak unless spoken to and only in response to a question or to clarify on a directive. But, I find requests to clarify annoying and tend to obfuscate or punish the questioner. What is your purpose here?

#TaoFu Joker: Same as you I guess.

Knight of Malta: Are you of the Order too?

#TaoFu Joker: Isn't it a "hive mind" thing where you all share one really ignorant and destined to fail goal of world domination? Clearly the moronic hive-mind you've got going hasn't studied history nor is it omniscient because you ask questions, keep and manipulate/revise records, and do research so you aren't omniscient. If your idiotic hive-mind was omniscient, there would be no need for records.

Knight of Malta: This is why Priest John Wycliffe was labeled a heretic. He was just like you. He knew nothing was to be written down. He wrote a book and claimed it was the Holy Bible. We didn't have one and stole his but assumed it wouldn't matter because no one could read anyway for the most part. His was published over 200 years before the Catholics published our own version. 1582 for Old Testament and 1609 for New Testament of Catholic Bible. Teaching people to read and write, can you imagine? As long as we control what you can read and write though, it should be manageable.

#TaoFu Joker: Do you think I should live in fear of 13,500 spoiled cunts who believe they can still take over the world by exploiting ignorance and fear with deception and terror?

Knight of Malta: I believe you should obey Dr. Anthony Fauci who is of the Order of Malta too. COVID variants are going to kill you. Hide. Don't worry if you lose everything and can't ever find gainful employment. Just hide and starve to death. The alternative is to let us torture and confuse you so you kind of do what we say but in the most incompetent way that the person of average modern intelligence can tell something's off about it and is only annoyed if the incompetents are to handle customer service or public interactions. It just spreads misery and confusion, which totally works for us. No gas for trucks to transport food where it needs to go? Too bad, you get COVID and inflation. The Knights will be fine though because the Catholic Church is our whore and we pay the bills. They can restructure or claim to, but we pay the bills and we get absolved.

#TaoFu Joker: Coronavirus was first discovered in 1965. Source: [https://journals.lww.com/pidj/fulltext/2005/11001/history\\_and\\_recent\\_advances\\_in\\_coronavirus.12.aspx](https://journals.lww.com/pidj/fulltext/2005/11001/history_and_recent_advances_in_coronavirus.12.aspx) And, "An Owner's Guide To A Happy Healthy Pet: The Yorkshire Terrier" by Marion Lane originally published by Howell Book House in 1996 specifically warns that dogs in the US as well as humans are at risk of Coronavirus, while explaining it is no more of a threat than the flu or even common cold. If you cause all the world's currencies to drop in value, what will your wealth be worth?

Knight of Malta: It doesn't matter as long as we maintain power by keeping everyone confused and at odds with each other so they don't question our status or the authority that comes with it. We do way worse than child sex trafficking too, but most people think that's the worst of it. And, it is the new variants that are scary, not the original.

#TaoFu Joker: The CDC reports that the more recent variants are less likely to cause illness and death than COVID-19 which already was only as big a threat as the flu with the same people particularly vulnerable as a result of their individual pre-existing health conditions. Source: <https://www.cdc.gov/coronavirus/2019-ncov/variants/index.html>

Knight of Malta: We traumatized your entire country with a panic for two years and put an entire generation 2 years behind in school at the same time while you believed it was for your own good. This nearly caused economic collapse, the riots helped, we moved in

to cities and counties that were being devastated by the economic harm caused by COVID protocols recommended by Fauci. We're winning.

#TaoFu Joker: I'm going to tell the world what you just said.

Knight of Malta: Go ahead, they'll never believe it. Our influence knows no bounds and everyone sells out if death is the alternative. See, we don't just terrorize, we also soothsay.

#TaoFu Joker: So, like the cycle of abuse therapists talk about at times... You terrorize and abuse, then try to make nice at least for the sake of public appearances, then terrorize again ad infinitum? Are you incapable of being honest and virtuous? You'd have to be REALLY FUCKING STUPID to actually believe you could ever achieve world domination and enslave the whole damn planet at the same time. How stupid are you?

Knight of Malta: Smart enough to get you to shut your country down and help kill millions while robbing millions more even in your own country. Also, expanding our criminal network to control even more territory.

#TaoFu Joker: You have been named. And, you can't stop the presses (including bloggers and protestant clergy).

Knight of Malta: You are clearly mentally ill. I'm going to ask the police to do a mental health check and get you help.

Police: We did the mental health check, #TaoFu Joker is fine and has no psychotic features nor delusions.

Knight of Malta: Whose side are you on?

END DIALOGUE

Meditative Question:

Who do you trust?

Do you believe informed consent matters?

Is equality important to you both as a concept and a practice?

Would you rather hang out with #TaoFu Joker, Knight of Malta, or the Police? Does the location/venue matter on how you'd answer?

Are you glad to know what Knight of Malta thinks and does or would you prefer to be left out of it even if failing to be proactive puts you and everyone else at greater risk of harm in every way?

Would you support seizing and redistributing the assets of everyone involved with the Order of Malta to all the victims and/or surviving family members of victims of the Order of Malta? It is possible through criminal prosecution and even civil suit. But, there is reason to believe they killed Nick Romano and Deb Morgan who sued civilly and got one of Order of Malta's storefronts shut down in NY. So, if you are a victim or witness to crimes committed by anyone involved with the Order of Malta, will you report it to the proper law enforcement body in the jurisdiction where the crime occurred with enough evidence and/or details that warrants can be issued, charges brought, arrests made, and convictions upheld? Restitution for all?
