

## Sacred Breath Academy "Scandal" Feedback By Rev. Angela Smith

On April 2<sup>nd</sup>, 2019 I e-mailed Sacred Breath Academy to ask about licensing, accreditation, and qualifications as a concerned citizen and consumer advocate. I blind-copied Sean Stone on the message, which was reportedly deleted without being read. The HEAL Mission of COPE has been providing victim and consumer advocacy services including investigative reports on fraudulent and abusive entities since 2002. For the entire exchange with Sacred Breath Academy see <https://www.heal-online.org/fullsbaexchange.pdf>.

On June 11<sup>th</sup>, 2019, my cordial acquaintance Sean Stone, for whom I acted as a source for some stories covered on "Watching The Hawks" for over a year, e-mailed me this:

I offered to edit and make warranted corrections as is explained at <https://www.cope.church/peace.htm> to any content on the HEAL Mission site regarding Sacred Breath Academy. And, as a show of good faith I did actually do everything Sacred Breath Academy initially requested in regards to the content on the basis of their word alone. It turned out the changes Sacred Breath Academy requested were based on dishonest statements made by Sacred Breath Academy so the original content was restored.

Below is what Sacred Breath Academy was seeking with the restraining order and also reinforces that it was all about Sacred Breath Academy and not Sean Stone. It reinforces that Sacred Breath Academy targeted me and my mission of consumer advocacy and used a cordial acquaintance of mine, whom it had/has undue influence over as a result of sexual coercion which is common in such cults, to abuse the process which refused to be abused but recognized the right to be left alone of all parties involved. To clarify the file name should read in full “restrainingorderseanstoneisamoronwhenundulyinfluencedbysacredbreathacademy”. But, he's #TaoFu in artful communication.

On July 17<sup>th</sup>, 2019, the following court order was issued and it does not accurately describe me, but, the way it was worded was #TaoFu and as you'll see I was being as helpful as possible to my cordial acquaintance without betraying my own principles. I am female. My height is 5'8" not 5'6". My weight in July, 2019 was 140, not 200. My date of birth was known as a copy of my birth certificate was provided and was included in the medical documents introduced by Sacred Breath Academy as evidence that I live with depression and PTSD so am too crazy to be believed. But, the order doesn't say that and claims my birthday is "unknown". The order claims my hair color is brown, which is accurate. But, claims my eye color is brown, which is not accurate. My eyes are blue. The address given for me, and potentially Sean Stone too, is inaccurate or incorrect. And, as shown with the June 11<sup>th</sup>, 2019 e-mail above, my contact was welcome so any

allegations that Sacred Breath Academy made claiming I was stalking Sean Stone were false. Any allegations made by Sacred Breath Academy or on their behalf that I was cyber-stalking them are also false. A restraining order is not a criminal conviction and is a result of an ex parte hearing, not a trial.

**This is a Court Order.**

One week after the order was granted and my cordial acquaintance is welcome, Sean Stone e-mailed me the following request:

I did transfer it and have kept my word on everything else too. But, when you think about cyber-stalking behavior and understand that @MedicinaW on Twitter is Danielle/"Kaya" of Sacred Breath Academy, do you think it is reasonable for me to suspect Sacred Breath Academy or count them among reasonable suspects of those responsible for what is described at <https://www.cope.church/conspiracy.pdf> ?

That's just a sampling and long after the order was granted so arguably trying to bait me into violating it. Please see <https://www.heal-online.org/breathless.htm> for more info.

Also, the judge initially denied adding Sacred Breath Academy cult leadership as protected parties in the temporary order and stated there was no evidence of any harassment nor that they resided in the same household as Sean Stone. Lots of inconsistencies on the side representing Sacred Breath Academy.... Also, Sacred Breath Academy leadership was removed from the court at the time of the hearing and didn't testify at all. It was just me and Sean testifying. If they had been in the court and presented their own doctored evidence (an e-mail that was clearly not direct printed to .pdf from the e-mail inbox but copy/pasted into another document and edited/manipulated by Sacred Breath Academy), I wouldn't have accepted it. Sean introduced it and I didn't want him to get in trouble for perjury because he already admitted under oath we were cordial (friends/friendly). And, the judge was already angry about my medical documents being in the possession of someone who legally had no right to them in a situation that arguably violated HIPAA. I testified that I provided them to the other side to establish that I know trauma and that Sacred Breath Academy is a fraud that has no business claiming to help people with trauma. So, I did interrupt when Sean wasn't sure how to answer even though the question was directed to him and not me by the judge. I'm a good friend and a great advocate. But, I think this situation highlights how a conflict of interest can result in grumbling assent to things you otherwise would never

agree to under other circumstances. Here's the page of the temporary order saying there was no evidence of harassment committed by me against Sacred Breath Academy:

Case Number:
