

CONVERSION PROGRAM PROGRESS REPORT: Victorious Valley Homes in SC  
By Rev. Minister Angela Smith of COPE (<https://www.cope.church> ) Dated: 1/5/22

The HEAL Mission of COPE has received 15 separate complaints from individuals and families alleging physical abuse/torture (including being handcuffed to a bed, having mouth taped shut with packing tape, etc), one survivor reported via e-mail to the HEAL Mission "I was in the home at victorious valley in sunset south Carolina I was made not able to eat things at times because I was in trouble for ungodly things I had done , I would like to see this school closed it was the worst torture I have ever experienced in my life I went into the home when I was 17...this place is a fundamentalist baptists cult hell hole !", unaccredited academic services with credits that don't transfer (AKA fraud/diploma mill), held incommunicado (communication blackouts, monitored and censored mail and calls), denied medical attention, and coercive thought reform at Victorious Valley Homes. Some of these complaints are referenced online and others remain confidential and on file with the church. With the intention of providing an opportunity for closure, clarification, and potentially peace, on 12/28/21 Rev. Angela Smith invited Victorious Valley Homes victims (families and survivors) as well as staff whistleblowers to provide a guest sermon. That invitation read thus:

"Dear Victorious Valley Homes Survivors and Families,

Victorious Valley Homes is on the HEAL Mission watch-list (of fraudulent and abusive programs) and enrolled in the COPE Conversion Program based on your reports to the HEAL Mission alleging fraud, abuse, and/or other violations. There are no statutes of limitation on crimes in South Carolina. There is a reporting guide available to all at <https://www.heal-online.org/victval.htm>. You can learn more or refresh your memory at <https://www.heal-online.org/thelist.htm> and/or <https://www.heal-online.org/victval.htm> .

The HEAL Mission and COPE Conversion Program (for Conversion Programs) has updated our protocols to provide entities populating the watch-list and/or enrolled in the COPE Conversion Program three ways off the watch-list or out of the program. Death and/or closure remains one way after which they will be buried at <http://www.beyondbusiness.net/youarenext.htm> with the others who didn't make it off the list or reform in time. Programs enrolled in the COPE Conversion Program/placed on the watch-list are also eligible for graduation if they meet the minimum Honesty In Marketing Standards described and/or provided via hypertext link at <https://www.cope.church/standards.htm> . The third option is merciful release. Merciful releases are determined by date of last directly reported to the HEAL Mission complaint (date of incident(s) of abuse), whether those incidents occurred prior to when by custom or law the requirement to retain such records has expired, and whether Sponsors (you) are actively participating or maintaining interest in holding your program accountable.

The most recent complaint the mission received on Victorious Valley Homes occurred in 2012 (if you were abused later than that then you did not include the dates of your enrollment when you contacted the HEAL Mission). The custom is to retain such records for 10 years in South Carolina. So, the requirements for merciful release have not been

met. This is an invitation for you to provide a guest sermon no later than Wednesday, January 5th, 2022 at 8pm Pacific if you believe Victorious Valley Homes should remain on the watch-list beyond December 31st, 2022 (a progress report will be posted in lieu of a guest sermon beginning January 5th, 2022 through December 31st, 2022 if a guest sermon is not provided by the deadline). For sermons (including guest sermons), see <https://www.cope.church/sermons.htm> and for progress reports see <https://www.heal-online.org> . Here's how to participate:

1. In the body of an e-mail message write out your complete sermon and include answers to the following questions:

Did you report fraud or other unlawful actions to the proper authorities? If not, why? If so, what happened with the reports? (So, 2 part question)

Why do you believe Victorious Valley Homes should remain enrolled in the COPE Conversion Program?

2. Send that guest sermon to me at [rev@cope.church](mailto:rev@cope.church) with your first and last name (full) and notify me if you wish for your contact information to be included or for all feedback to be handled by the mission and/or church. Your full first and last name will be shared along with your sermon as written and provided by you. It will be posted as a Guest Sermon at <https://www.heal-online.org> , <https://www.heal-online.org/victval.htm> , and <https://www.cope.church/sermons.htm> .

If no one provides a guest sermon and there are no new complaints received by the HEAL Mission of COPE by December 31st, 2022, Victorious Valley Homes will be mercifully released.

Thank you in advance for participating. And, please learn more about how to value your contributions at <https://www.cope.church/givetoday.pdf>.

In Solidarity,

Rev. Angela Smith  
HEAL Mission National Coordinator/Founding Mother of COPE"

Now, there was a vote on whether Victorious Valley Homes should remain on the watch-list initiated on April 7th, 2020 where all Sponsors of that program's placement in the COPE Conversion Program were invited to participate. The majority voted against merciful release or the equivalent at that time. HEAL Mission and the COPE Conversion Program recognize participation in the vote in April as recent enough participation even if Sponsors prefer more time to consider, write, and/or provide any guest sermon. While we understand this may be disappointing for Victorious Valley Homes, it is the hope that this progress report helps explain the reasons for the continued enrollment/placement in the COPE Conversion Program. Additional or continued participation by Sponsors, including providing guest sermons or participating in future votes will impact whether or

not the program qualifies for merciful release or remains enrolled. Lack of participation by Sponsors where all other criteria for merciful release are met, will result in merciful release of the program.

Similar invitations will be going out to all survivor/victim/whistleblower e-mail lists and their respective programs placed on the watch-list. It may take some time to get through the entire list especially if enrollments pick up. But, we are working on it and everyone can submit Feedback at <https://www.cope.church/feedback.htm> at any time regardless of position regarding program placement or enrollment.

To close, I remind everyone that there are remedies at law. Labor trafficking, rape, fraud (misleading marketing/false advertising), false imprisonment, kidnapping, battery, assault, and any crime or tort you could name are actionable at law. The HEAL Mission of COPE is prepared to assist all victims by providing reporting resources and information for the sake of justice and we appreciate all Sponsors who selflessly contribute content for the sake of informing the public to help those exercising due diligence avoid becoming a victim.
