Dear "Fuck Off",

We just need your consent and we'll handle the rest in terms of printing this e-mail exchange to .pdf and posting it to the webpages referenced in our last response. Your "yes" suggests consent but in full context you asked how you could do it and that was explained in that last message and reiterated here hopefully for clarification. Do you want us to print this e-mail exchange to .pdf disclosing your name, e-mail address, subject, and body and post that to <https://www.cope.church/feedback.htm> and www.beyondbusiness.net/youarenext.htm? We will be happy to do so.

Best Wishes,

Dear "Fuck Off",

Thank you for the information! Would you like us to print your statement to .pdf (which will include your name, e-mail address, subject as shown, and body of your messages) and add the link to it to the feedback page at <https://www.cope.church/feedback.htm> and the description of the programs referenced with their details in the virtual graveyard at www.beyondbusiness.net/youarenext.htm? Please let us know. We're glad all three programs are closed and hope it stays that way. So far so good.

In Solidarity,

Dear "Fuck Off",

Thank you for contacting us! By CSA we assume you are referring to Carolina Springs Academy. By Casa by the we assume you are referring to Casa by the Sea, and Pillars of Hope is Pillars of Hope. It is our understanding that Casa by the Sea has been closed since 2004. Carolina Springs Academy has been closed since 2010. The rebranded Carolina Springs known as Magnolia Christian Academy was closed in 2012. And, to our knowledge Pillars of Hope permanently closed in 2020 or we confirmed it to be permanently closed in 2020. All of them are buried in the virtual graveyard at www.beyondbusiness.net/youarenext.htm . We hope this brings you some closure as well. If we can be of further assistance, please let us know.

Best Wishes,
